

# Central Kitsap School District

## 2011-2012 Emergency Operating Procedures

---

Bad weather and other emergencies sometimes result in changes to school or bus schedules. In some cases, we might need to dismiss students early. At other times, we may cancel school for the day. During bad weather, changes are announced between 6:00 a.m. and 8:00 a.m. **If we do not make an announcement during that time, it means schools and buses are operating normally.**

### How can I find out if school is cancelled or starting late?

- ☼ **You will receive a telephone message. Please contact your student's school if you need to update your phone number.**
- ☼ An e-mail alert will be sent to all CKSD e-News subscribers. Sign up at [www.cksd.wednet.edu/enews.aspx](http://www.cksd.wednet.edu/enews.aspx).
- ☼ Our website will be updated ([www.cksd.wednet.edu](http://www.cksd.wednet.edu)).
- ☼ There will be a recorded message on our main phone line. To listen to the message, call (360) 662-1623.
- ☼ Radio and t.v. stations announce school or bus schedule changes by district name and number. We are Central Kitsap School District #401.

### What kinds of changes are made to schedules?

- ☼ **Schools Closed:** All classes, meetings, daycare in schools, field trips, after school/evening activities, and community schools classes are cancelled. There is no out-of-district transportation.
- ☼ **Schools Open, Limited Bus Service:** May apply to certain areas of the district, but not all. Listen carefully to see if your area is affected. See the back of this page for bus service changes. ***Students who are picked up at a limited bus service stop in the morning will be dropped off at the same stop in the afternoon.*** Parents with children who ride special needs buses must make alternate arrangements with the Transportation Department (360- 662-8800).
- ☼ **Schools Open, One or Two Hours Late:** Schools will start either one or two hours late. Buses pick up students at their regular locations, but one or two hours later than normal. On occasion, limited bus service is also in effect when school is delayed. Students are dismissed at the regular time unless otherwise announced. ***If a school delay occurs on a Thursday morning, schools will be dismissed at the regular dismissal time (no early release).*** In some cases, kindergarten, preschool, out-of-district transportation, and after school student or community activities may be cancelled.

### How can I prepare my family?

We encourage you to make plans ahead of time so your child will have a safe place to stay if you are not at home. Be sure your child understands what to do if changes are made to school or bus schedules. It may help to write the answers down and keep them where your child can find them in an emergency.

- ☼ What is the best route to and from a limited bus service stop?
- ☼ Where could your child go if he or she needs help?
- ☼ Who will care for your child until you arrive?
- ☼ Is there someone your child could call if he or she is scared?

## Limited Bus Service

We use limited bus service routes when some roads are unsafe due to snow, ice, or other conditions. Delays are common. We appreciate your cooperation and understanding.

During bad weather, it is up to each family to make a decision about school attendance. Students need to arrive at the limited bus service stop by the normal time for their regular stop. However, when schools open late, bus stops are also one or two hours late. Please talk with your child about how to stay safe while walking and waiting.

For limited bus service, students with bus stops on roads listed in the column on the left will use the stops listed on the right. If your road is NOT listed, your child's bus stop is not affected by limited bus service. **Students who are picked up at a limited bus service stop in the morning are dropped off at the same stop in the afternoon.**
